SERIES OVERVIEW

The Gospel of John is unique in the New Testament. Where the Gospel of Mark begins with Jesus' launch into ministry, Luke opens with the foretelling of John the Baptist's birth, and Matthew commences with a summary of Jesus' genealogy, John transports us much further back: to the very beginning! In the beginning was the Word!

Right from the opening words of John, he not only shows us the supremacy and glory of Jesus, but he calls us to recognise and respond to Jesus. John's intent is not only to provide a faithful account of Jesus' life, death, and resurrection, but so that this news would cause a change in us. That we would believe that Jesus is the Messiah and Son of God. The purpose of John's Gospel—as Don Carson put it—is to make us believers.

TEACHING TIME

Water into Wine

In some countries today, weddings are a very long party. In parts of Africa, weddings will last all day - even a whole weekend. In the Middle East, they can last for a few days. Imagine what it would be like trying to plan how much food and drink you would need for all the guests who might come?

Jesus was invited to a wedding a bit like that. He came with his disciples and some of his family - but it could be that the whole village was invited - and the neighbouring villages as well.

As the wedding festivities continued, the wine began to run out. Running out of wine was a big embarrassment for the groom. A disaster!

Jesus' mother noticed the problem and she went straight to Jesus. Jesus asked the servants to fill 6 large stone jars with water. *The jars would have been about 80cm high and 35 cm wide at the mouth. At the wedding, they would have been used for special washing before the meal.*

After the servants had filled the 6 jars with water, Jesus told them to serve the "water" to the man in charge of the wedding feast.

The man was astounded - when he started to drink, he declared that it was by far the best wine at the wedding! He even asked the groom why he had kept the best till the end!

This was Jesus' very first miracle! It was the very first sign pointing to who he is and who God is. When he changed water into wine, he was showing them God's glory- and that God was both very powerful AND very kind.

Jesus had transformed a disaster into a celebration. The groom would have been so relieved and grateful! And the disciples saw it - and believed that Jesus was no ordinary person. He was God. Their lives were changed!

Jesus' can change our lives too. That's what he wants to do. If we follow him like the disciples did, he will change us to be more like him..

APPLICATION QUESTIONS

1. Early Childhood

Jesus show God's kindness when he turned the water into wine. Who can we be kind this week?

2. Lower Primary

4. Upper Primary

If Jesus showed that God is both kind and powerful, what difference will that make to us as we follow him this week?

DISCUSSION QUESTIONS

Read SBK Middle Primary Scripture (John 2:1-11)

1. If you're invited to a party, what do most look forward to? How would you feel if one of the things you were looking forward to, was missing?

2. Jesus went to a wedding party with his disciples and some of this family. What went wrong v3?

- (b) It's got nothing to do with us

- (d) It's not the right time for me to show who I am

Explain that Jesus was not being rude - but he was to follow his Father's timing, not Mary's.

4. Why do you think that Mary was confident that Jesus could help? She would have remembered the promises that the angel had made about him before his birth: he will be great, the Son of God, a king. And she'd watched him grow up into someone special.

5. Read v6-8. What 2 things did Jesus tell the servants to do?

Fill 6 large pots with water and then take a cupful to the man-in-charge of the feast.

9. This was the first miracle of Jesus, that the disciples had seen. How did it change them?

They believed! They had seen Jesus' glory. They began to understand that although he was a human being just like them, he was also God.

10. What do you believe about Jesus? How might that make a difference to you this week?

Invite children to respond - and to talk about how they might show some of Jesus' kindness to others this week, and trust God to help them do that.

What Jesus did here in Cana of Galilee was the first of the signs through which he revealed his glory; and his disciples believed in him. John 2:11

HOW TO PLAY:

2. Place markers anywhere on the board. Players take turns to roll the die and move that many spaces (clockwise).
3. If you land on a "?", the player to your left draws a card and reads it out loud. If you answer this question correctly, you receive a jar. If you land on a "Take A Jar", you can take a jar from any player. If you land on "Lose A Jar", you must return a jar to the pile.
4. If you land on "Give A Jar Away", you must give one of your jars to a player.
5. Players work their way around the board and try to collect jars. The first player to collect 6 jars wins.

STEPS

As you play this game, there are lots of comprehension question cards that allow the children to recall the main events of the story of the Wedding of Cana.
